

Peel Park Primary School

Reach Higher. See Further. Shine Brighter.

Date : 12th October 2023

Dear Parent

As a school we are committed to ensuring our learners attend school in order to get the most out of their education. It is our belief that regular school attendance is a fundamental pillar to academic success. When students attend school consistently, they have the opportunity to engage with their teachers, peers and the curriculum which enhances their learning experience and overall achievement.

In order to raise awareness of the benefits of good attendance, next week we will be having an “**attendance focus week**” whereby we will be doing different things within school to promote good attendance. These activities include:-

- **HOTSPOT DAYS** – Throughout next week there will be days where when your child attends they will receive a raffle entry to win some exciting class prizes.
- **HOME VISITS** – We will be conducting random home visits to absent students home address.
- **LETTERS** – Next week school will be sending out letters regarding your child’s attendance as well as communications detailing the benefits of ensuring your child attends school regularly.

If you have difficulty ensuring your child attends school regularly don’t hesitate to contact myself or one of the pastoral team who will be happy to help.

Many thanks,

Michael Kerr
Pastoral Lead
