

Peel Park Primary School

Summer term 2024

Plans for the end of the school year are already well underway, including arrangements for our new starters in September 2024 and our annual end-of-term events. You will find information on our **annual sports days** at the end of this newsletter. Following the positive feedback from last year, we will continue to maintain a more traditional feel for these events. As always with these things, they are weather-dependent, and we will try our best to give you as much notice as possible should there be any disruptions.

Also within this newsletter, we have our staffing list for the next school year. As usual, we are going to have a **changeover day** on which the children will meet their new teacher. We have scheduled this for Thursday 4th July 2024 (morning), and I am confident that your children will share their experiences with you. A **meet the teacher** event will be held for parents early September but if you have any queries in the meantime, please don't hesitate to contact school.

The **2024 general election** falls on 4th July, and the school is making every effort to minimise any disruption to the school day. We recognise that many schools have a responsibility to be available for local and general elections, but it does lead to a significant amount of planning from our point of view to ensure the children's safety whilst the general public on our school site. I am sure you understand there will be some disruption to access on that day; more information will be available nearer the time. Rest assured that, despite this, we will be **open as usual**.

This time of year is always busy and requires a great deal of planning and organisation. I would, once again, like to thank all parents and carers for their understanding and support - it is much appreciated.

Safeguarding

Safeguarding is everyone's responsibility in school, and we take this very seriously. Keeping your child safe is our primary concern. Our designated safeguarding officer is **David Waites**, and the deputy officers are **Gina Morson, Michael Kerr, Claire Holt and Danielle Childs**. If you need any more information about this, then please do not hesitate to ask.

Staffing for 2024-2025

As is often the case at the end of term, we have to say our goodbyes to valued teaching staff who will be moving on at the end of the school year. **Miss Delisser** is leaving the school to begin a role as a Deputy Headteacher at a school nearer to her home in Salford. She started with us in 2008 and has held a variety of roles, most recently as one of our assistant headteachers, phonics lead, and a class teacher in year one. **Ms. Whittaker** has worked at the school, in many of our year groups, for 26 years. Most recently, she has been working in year six and has also led our art curriculum in school with passion and dedication. **Mr. Walsh** is also leaving us to begin a career in the private special education sector. He has been at Peel Park since 2010 and has also worked in a variety of year groups. In addition to this, he has led our PE curriculum in school and has brought great success on the sporting field for our school teams. **Miss Jackson** will be beginning the new school year as a teacher in a nearby school after having been at Peel Park for two years, and **Miss Buckel** will also be leaving us as she is emigrating to Canada. We wish all of the departing teachers success in the next stage of their careers, and we thank each of them for the service that they have brought to school over time.

Teachers in purple are new to our school for 2024

As mentioned previously, all children will have the chance to meet their new teacher on the morning of the 4th July and we are hoping that our new teachers will be released from their current positions to join us too.

Behaviour policy UPDATED

Our school strives to make every member of the school community feel valued, respected, and treated fairly. With this in mind, we expect all children to take responsibility for their own actions and make the right choices.

You can find the new policy, along with other key policies in our school, on our website under the 'key information' tab.
