

YEAR 1 NEWSLETTER

AUTUMN 1

Look What We Learned

MATHS MASTERS

This term, Year 1 have been exploring place value by working with numbers within 10. They have learnt how to order numbers, use part whole models and add and subtract numbers.

ENGLISH EXPLORERS

In English, the children have been learning about rhyming words and how to use them within their writing. They have also been writing sentences using the past tense, adjectives and connectives to enhance their writing.

SUPER SCIENTISTS

In science, the children have been learning about the five different senses and how they are used. They have also been looking at the different seasons and what happens in each and how they differ.

What's New

The children enjoyed taking part in the Mad Science sessions which have enhanced their love for science in a fun and interactive way. They have also enjoyed having a nurse visit school to discuss her job. They enjoyed taking part in active discussions and asking lots of questions.

Reminders

- Homework is given out every Friday (alternate maths and English).
- Children read with an adult in school and their book is change weekly.
- Reading expectations: at least three times a week.

Upcoming

The children will begin preparing for our Christmas celebrations, where parents and guardians will be invited - details to follow.
