AUTUMN 1

Look What We Learned

MATHS

THIS TERM, YEAR 2 HAVE BEEN EXPLORING PLACE VALUE BY WORKING WITH NUMBERS UP TO 100. THEY HAVE LEARNED TO REPRESENT, PARTITION, COMPARE, AND ORDER NUMBERS, AS WELL AS STARTING TO LEARN ABOUT ADDITION AND SUBTRACTION USING NUMBER LINES, 100 SQUARES AND BASE 10 EQUIPMENT.

ENGLISH EXPLORERS

IN ENGLISH, THE CHILDREN HAVE CREATED A POSTER TO PERSUADE AN AUDIENCE TO BUY THEIR PANTS. THIS WAS INSPIRED BY A BOOK CALLED THE 'THE KINGS PANTS'. LEARNERS THEN WENT ON TO WRITE DIARY ENTRIES FROM DIFFERENT PERSPECTIVES, THINKING ABOUT, WHY, HOW, WHEN, WHAT AND WHO SHOULD BE INCLUDED IN THE ENTRY.

SUPER SCIENTISTS

IN SCIENCE, THE CHILDREN LEARNED AND NAMED THE DIFFERENT GROUPS THAT ANIMALS BELONG TO. THESE GROUPS WERE, HUMANS, AMPHIBIANS, REPTILES, FISH AND MAMMALS. LEARNERS RECALLED OTHER CATEGORIES LIKE, CARNIVORES, OMNIVORES AND HERBIVORES.

What's New

THE CHILDREN THOROUGHLY ENJOYED TAKING PART IN THE EXCITING MAD SCIENCE SESSIONS, WHICH SPARKED THEIR CURIOSITY AND LOVE FOR SCIENCE THROUGH FUN, PRACTICAL ACTIVITIES. WE ALSO HAD A FANTASTIC TIME TAKING PART IN THE HISTORY WORKSHOP, THE DRAMA SKILLS WERE EXCEPTIONAL AND THE LEARNERS REALLY EMBRACED THIS ELEMENT AND IT WAS LOVELY TO SEE THEM ALL JOINING IN.

Reminders

- HOMEWORK IS GIVEN OUT EVERY FRIDAY.
- CHILDREN ARE LISTENED TO AND THEIR HOME READERS ARE CHANGED EACH WEEK.
- READING EXPECTATION: AT LEAST THREE TIMES A WEEK.

Upcoming

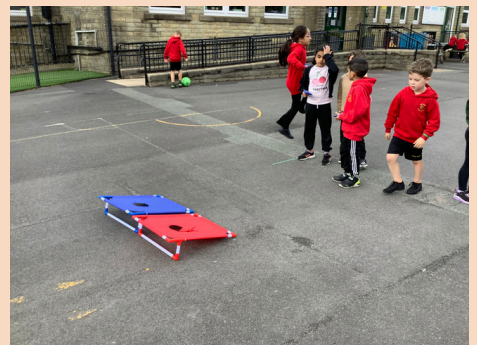

LEARNERS WILL BEGIN PREPARING FOR OUR CHRISTMAS CELEBRATIONS, WHERE PARENTS WILL BE INVITED - DETAILS TO FOLLOW.

DT TOPIC HELPERS - PARENTS WILL BE INVITED TO HELP AT THE END OF THE TOPIC - DETAILS TO FOLLOW.
