

YEAR 1 NEWSLETTER

AUTUMN 2

Look What We Learned

MATHS MASTERS

This term, Year 1 have been exploring place value by working with numbers within 20. They have also been learning all about 2d and 3d shapes and how to recognise them.

ENGLISH EXPLORERS

In English, the children have been learning all about poetry and the key features, exploring these through a collection of poems linked to Remembrance. They have also been writing leaflets to persuade and letters to inform based on the text, *Coming to England* by Floella Benjamin.

SUPER SCIENTISTS

In science, the children have been learning all about different materials, what they are made of and what they are used for. They have also continued to look at the different seasons and what happens in each and how they differ.

What's New

The children thoroughly enjoyed participating in the Balance Bike sessions and developing their balance, coordination and confidence when riding a bike. They have also taken great pleasure in practising for the Christmas show and learning the songs ready to perform.

Reminders

- Homework is given out every Monday (alternate maths and English).
- Children read with an adult in school and their book is change weekly.
- Reading expectations: at least three times a week.

Upcoming

Volunteers needed! If you would like to read a book to your child's class, please contact your child's teacher.
