

YEAR 6 NEWSLETTER

AUTUMN 2

Look What We Learned

Dazzling DT Designs

The children have been stitching superbly to create waistcoats for a small pet or teddy. Our parent workshops were a wonderful success – thank you, parents!

Exciting English Endeavours

We have been developing our descriptive writing by creating atmospheric setting descriptions of London, inspired by our class text *Refugee Boy*.

Mastering Maths

This half term has been full of fraction fun. It's official – we can add, subtract, multiply and divide fractions. We are experts!

Historic Heroes Workshop

Bill visited to share remarkable real-life stories about two brothers from Manor Street in Accrington and their role in the Accrington Pals. His tales were truly inspiring, and the artefacts he brought were fascinating!

It has been a successful and memorable last autumn term for Year 6 at Peel Park. The children have worked brilliantly, shown fantastic enthusiasm, and made us all incredibly proud.

What's New

Outward Bound Meeting – Thursday 7th January. More details to follow.

Century Champions!

Century is the online learning platform we use at school, and we are thrilled to share that Peel Park is currently 16th in the country for the Winners Cup. Well done to all our fantastic learners!

Reminders

There will be no homework over the Christmas break – enjoy a restful, festive time with your loved ones.

When we return in Spring One, homework and spellings will continue every Friday. Please remember to bring in home reading books – they can be changed every day!

Upcoming

Spring One brings opportunities for all in Year 6. Some children will be packing their hiking boots and heading off for a fun-filled week at Outward Bound, while those remaining in school will enjoy an action-packed week of team-building activities.

SNAPSHOT!

Here is a snapshot of our half term!
