

# YEAR 5 NEWSLETTER

AUTUMN 2

## Look What We Learned

### Awesome Astronomers

The children have loved immersing themselves in the Solar System and all its wonders. We took part in a fascinating VR workshop and practical activities to help us understand the Heliocentric model. Quiz us on what we know!

### Exciting English Endeavours

Year 5 were introduced to flashback narratives this term, writing descriptive flashbacks on the protagonist – Clova. We invited Year 3 to come and listen to us read them! We are finishing the year by writing balanced arguments on if anyone should be allowed to own a pet.

### Mastering Maths

This half term we have been fraction fanatics! The children have worked really hard on some difficult units this term – we are so proud of them all!

### Mountain Rescue Research!

We were lucky enough to meet Amber, a mountain rescue dog in training at Rossendale and Pendle Mountain Rescue, this term. The children got to explore a real mountain rescue truck and ask some pressing questions about Amber's role. Thank you to the team for coming in!

## Thank You!

We are so incredibly proud of all of Year 5 this term. The children have worked incredibly hard, with great enthusiasm and resilience through some tricky topics.

We want to thank you, parents and carers, for your continued support. Have a wonderful Christmas period and a happy New Year!

## Reminders

There will be no homework over the Christmas break – enjoy a restful, festive time with your loved ones.

When we return in Spring One, homework and spellings will continue every Friday. Please remember to bring in home reading books – they can be changed every day!

## Upcoming

Wednesday 7th January – Back to School

Thursday 15th January @ 3:30pm – London Meeting in the Hall.

# SNAPSHOT!

Here is a snapshot of our half term!
