

YEAR 4 NEWSLETTER

SPRING 1

Look What We Learned

❄️ Winter Poetry & Powerful Writing

We kicked off the term with a whole-school writing week, where the children loved exploring winter poetry. They thoroughly enjoyed bringing characters to life and writing their own engaging narratives and newspaper reports inspired by **Children Who Changed the World**.

1 2 3 4 Multiplication Momentum

The children have shown great enthusiasm as they built their confidence in multiplication and division, tackling reasoning and problem-solving challenges with growing independence.

🦋 Sound Scientists

Science lessons have been full of excitement as pupils explored sound, carrying out practical investigations into pitch and volume and enjoying hands-on experiments.

📖 Creative Coders

The children have loved developing their programming skills through Repetition in Shapes, proudly creating their own patterns while revisiting important e-safety messages.

🕒 Childhood Through Time

In history, pupils have been fascinated to discover how children's lives have changed over time, enjoying discussions about the similarities and differences between the past and today.

What's New

TTRockstars Showdowns Continue!

Our class battles on TTRockstars are proving a big hit! The children are loving the friendly competition – encourage your child to log in regularly and join the fun.

Upcoming

🌍 Bright Ideas & Brilliant Designs Ahead!

Next term, we're excited to begin our Geography topic on rainforests, discovering why they are so important to our world.

In DT, the children will be designing and making their own torches as they explore electrical systems – putting their creativity and scientific knowledge into action!

Reminders

Homework and spellings are given out every Friday. Children are expected to read at home at least three times a week. They are also encouraged to use Ed Shed, Times Table Rock Stars, and Century to support and extend their learning.

SNAPSHOT!

Here is a snapshot of our half term!
