Local History

Dave draws
Accrington!

Celebrating our local area

If you have visited our Reception area recently, you will have seen the warm, welcoming first impression it now gives to everyone who comes to Peel Park. At the centre of the refreshed space is a fantastic hand-drawn mural by Dave Draws, celebrating our local area and the community we are so proud to belong to.

Staff helped identify local landmarks to include, and Dave has also reflected our school's important place in the history of the Accrington Pals.

Please do pop in and take a look when you have the chance.

Headteacher Update

As we begin another exciting school year, I would like to extend a very warm welcome back to all of our children and families. It has been wonderful to see the school filled once again with happy faces, enthusiasm and a genuine eagerness to learn. The children have returned looking incredibly smart in their school uniforms and have made an excellent start to the term. Their pride in themselves and in our school community has been clear to see. I would also like to offer a particularly warm welcome to the new children and families who have joined us in EYFS this year. Starting school is a significant milestone and we are delighted that you have chosen Peel Park Primary School. The children have already settled remarkably well and our EYFS team is looking forward to supporting them as they begin their learning journey with us.

Throughout the summer holidays, a great deal of work took place behind the scenes to ensure that our school continues to provide the very best environment for our pupils. Improvements to our facilities, classrooms and learning spaces have helped us prepare for another successful year ahead and I would like to thank all those who contributed to these developments. I would also like to express my sincere thanks to our families for their ongoing support and engagement through our social media channels. It has been lovely to see so many parents and carers keeping in touch with school news, celebrating pupils' achievements and sharing in the life of our school community. Your continued support plays an important role in strengthening the partnership between home and school, and we look forward to working together throughout the year ahead.

Mr Waites

As a school, we continue to celebrate the children who regularly follow our school values of **BE READY, BE RESPECTFUL, BE SAFE**, and all of our staff are watching out for children who display them within and outside the classroom. The children accumulate merits, and these are recorded on Arbor for you to see. Children who do this regularly are awarded a **GOLD** certificate and even receive a book from our vending machine!

Upcoming Events

Here are some events which are coming up...

OCT Black History Month

A celebration of Black History.
