

Peel Park Primary School

The School Council has representatives from each class from Year 1 to Year 6. Every 4 weeks, we meet with Miss Flynn and discuss ideas and issues related to the school. We really believe that our views matter and we enjoy seeing our ideas being acted upon. We wear our School Council badges with pride and take our roles very seriously. At the start of the year, our peers voted us on to the School Council. Since then, we have signed a contract pledging to:

- be a good role model to our peers
- be a polite listener
- be the pupil voice for our class
- seek the opinions of our peers
- respect others' opinions
- contribute sensibly and maturely to meetings
- willingly give up our time to complete activities related to School Council

Our meetings are formal and minutes are taken. After each meeting, these are typed up and emailed to all staff – this is then fed back to classes for discussion.

We go back to our classes and ask questions to find out children's views about different aspects of school. We also tell Miss Flynn if there are any things our class think could be improved about Peel Park. For example, the changes to our playground provision, which has been actioned this year. We help to run events in school too such as the Red Nose Day stall. We run whole school competitions and find new and interesting ways to support our school and local community.

We are proud to be part of Peel Park School Council!
