

Peel Park Primary School

Reach Higher. See Further. Shine Brighter.

Parents Forum 3rd October 2022

Parking

Genuine concern regarding the dangerous parking on surrounding roads. Suggested that it was the same people in the same cars who are the main culprits.

ACTION

David to ensure that the school cones are placed near the Crossing Patrol to ensure that is clear

ACTIONED

Order more cones **ACTIONED**

Contact the Police for support **ACTIONED**

Produce a letter to put on the windscreens of cars that are parking dangerously.

Communication

Parents are being contacted too often about issues that do not concern them. Often poorly written.

ACTION

David to ensure that communication is reduced and is presented appropriately **ACTIONED**

Communication only sent to the appropriate parents (and not blanketed to everyone)

Uniform

Overall happy with the uniform policy. Consider whether the logo is needed on the polo shirts of the infant children

ACTION

David to take to the Governing Body the proposal that any polo shirts can be worn in the infants

ACTIONED- New guidelines to be sent imminently

School Dinners/lunchtimes

Halal options should be considered on the menu. Consideration needs to be given to the amount of notice that school needs to start (or stop) school dinners. Children are not having enough time to eat their dinners as it seems a rush.

ACTION

David to bring this issue up with the school dinner providers and enquire why they need so much time.

David to enquire where the Halal options are

David to ask K.Goldsmith to ensure that lunchtimes are a sufficient length for all children.

School photographs

Will continue after the xmas holidays as parents wanted them to continue in their current form.

Next meeting will be held in Autumn 2.
